Big things are happening at PawsAbilities: **JOBS**. That's the program's focus, employment for young adults with developmental disabilities. Before Paws, kids were graduating high school with limited opportunities. PawsAbilities is providing the answer, with daily skills taught in our bakery, sewing room, Paws storefront and Mobile Store. In 2019, more than 55 individuals will participate in PawsAbilities job skills training and educational classes. Your gift to PawsAbilities will ensure they will reach their greatest potential!

## IN THE SPOTLIGHT

**Sam Rogers** started working in the PawsAbilities bakery this past summer. He quickly proved himself to be a hard worker and great team member, so when **Fetchers Play & Stay** owner Heather Bever called looking for a new employee, we suggested Sam! Sam is doing great at his new (paid!) job - he loves working with the dogs and his co-workers enjoy working alongside him. Sam continues to attend the PawsAbilities program to work on new skills and gain further independence, which is an important component of making his employment successful.

*Congratulations Sam and thank you Fetchers!*
